Buckingham

One large dealer in railroad ties has discontinued buying at all at Dillwyn and prices are lower with other buyers, but this situation comes at a good time, because now men who were getting ties can go to work on the farms, the best wages I hear of in the county is $1.50 a day and a stout strong negro man offered to work for me at $1 a day and board. It is like pulling ones eye teeth for the men who have been getting high wages to adapt themselves to the change, but with the reduced cost of living it is all very well.

Mr. Warrell, supervisor of rural schools was in the county last week and I had the pleasure of going around to some of the schools with him and observe the teaching. Buckingham will, I suppose, have a local supervisor of rural schools

Mr. Paul Pettet, of Fluvanna, was here on legal business the past week.

Attorney G. M. Rogers was called to the northern part of the county on Saturday on legal business.

Judge A. S. Hall is still in Atlanta and is said to be improving in health.

Mr. Nick Jones who has been a student at Fork Union has come to take up his studies at the high school here and is boarding at the home of Dr. Morris.

Mr. Stanley who is a tenant of Mr. Wm. P. Ellis' sold some tobacco at Dillwyn last week for $33 per hundred good tobacco is higher and sorry tobacco is lower.

Mr. A. J. Stinson has the job of placing a bridge across Appomattox river between Appomattox and Buckingham counties.

The State Board of Education will soon be busy appointing division superintendents for the various divisions.

Miss Mary E. Horseley a sister of the late Judge John D Horseley is visiting friends and relatives in the county.

Mr Henry Groseclose will be a student at Blacksburg for a while this summer and then go to Columbia University for a short course.

The clerks of the district school boards are called to meet here to day to make up the budget for next year's school expenses.

I understand a lady speaker of note will be here to address the lady voters of the county and to organize a Woman's league and we shall see what we shall see, but I hope we shall not see our ladies make a mistake in joining the league. I think Mrs. Skelton Williams' opinion expressed in an open letter which was published in the Times Dispatch is a note of warning to all ladies who intend to join the league

Wheat and oats are spreading the land over and our fields are putting on an attractive coat of green.

Everyone interested in legal matters is getting ready for circuit court here on March 15

Spout Spring

Mrs. Geo. H. Akers received Sunday a telegram that her brother, David C. Tanner, of Victoria, Va., was dead. He was accidently shot on Tuesday, Feb. 8th, by Sergeant Green, of Victoria. Sergeant Green who had just returned from a business trip to Kenbridge was getting out of his automobile when he turned around to close the car door the gun which had worked its way out of its holster in his pocket fell to the side walk, striking hammer on cement and it went off; bullet went in Mr Tanna's leg a little below knee and came out about hip, cutting a place through his leg about 12 inches. He was carried at once to hospital where he got along nicely until blood poison set in and on Friday, Feb 18, doctors decided to cut and that evening he died. Mr. Tanner was a brakeman on the Virginian R R. He was a good man and loved by all who knew him. He was married in 1911 to Miss Mary Agnes Driscoll, of Appomattox. She died Nov. 28, 1919 Mr Tanner was a member of Central Baptist church and was 28 years of age. He was buried at Victoria. He leaves to mourn their loss, one little girl Annie Mae Tanner, age 8 years besides his mother Mrs. Joel Tanner of Spout Spring, four brothers—Messrs. Ben R. Tanner, Spout Spring, William F. and Robert C Tanner, of Victoria John A. Tanner, of Suffolk, Va., and two sisters—Mrs Geo. H Akers, Spout Spring, Mrs. C. C. Nash, Madison Heights, Va.

have been printed and are being circulated. The governor appears to believe that there is some connection between the criticism directed against him by the ministers indicated and the present and prospective political campaigns in Virginia.—News Leader.

took and ullen, 23rd, augh- rdan, ephen

parlor was beautifully decorated in green, white and yellow colors, which was carried out through out the ceremony.

The bridal party entered to the strains of the Bridal Chorus rendered by the brides sister, Mrs. J. R. Ferguson. Mr. E Y Pool, pastor of Spring Creek Baptist church, entered with the brides brother, Mr. W. H. Jordan, the groom entered with his brother, Mr J. R. Ferguson, best man; followed by Misses Anna Jordan and Verna Ferguson, youngest sisters of bride and groom, then came the bride on the arm of her father, who gave her away. She wore a dark blue traveling suit, satin hat with black veil and dark brown shoes and gloves.

The ceremony was beautifully preformed and the happy couple left immediately for an extended bridal trip. They expect to make their home at Cullen, Va., where the groom is in business

Best wishes for a long and happy life.

Dead

The death angel visited this community on Feb 23rd and claimed for its own little Beattrice Ferguson, the 1 year 4 months old daughter of Mr. and Mrs. Wade Ferguson. She was a fond loving little girl and death loves a shining mark. Everything was done that loving hands could do, but God in his wisdom saw fit to take her. Her death was caused by bronchial trouble. Interment was made Wednesday evening in the family burying ground of Mr. C. C. Ferguson. She leaves to mourn their loss her mother and father and one brother. The family has the deepest sympathy of this community in their sad bereavement.

A precious one from us has gone
A voice we loved is still
Place is vacant in our home
Which never can be filled
God in his wisdom thought it best
To call you where the others rest
And though the body slumbers here
The soul is safe in heaven
And amid sweet songs of love
I hope to join Beattrice above.

A FRIEND.

Taggart

Our community was saddened when the news came last Friday, Feb 18th, that Mr. Bob Davis had passed away His death was not unexpected as he had a fall about three years ago and sustained injuries of the hip, from which he never recovered and a complication of diseases followed.

On Wednesday of the same week the remains of Mrs Lillian Kidd, daughter of Mr. and Mrs. James Dameron, were brought to the home of her parents for burial. She died in Staunton and leaves a husband and three little girls.

Mr. N. M. Gregory was in Richmond last week to attend the sales of his tobacco and he was well satisfied with prices of good tobacco as he realized $39 for his best, but low grades are not wanted at all.

High Commissioner Praises Near East Relief

Rear Adm'l Bristol

Constantinople: Everybody seems to have a good word to say for the wonderful work being done by the more than 500 American men and women workers of the Near East Relief. In a public address, Rear Admiral Mark L. Bristol, U. S. Navy, High Commissioner to Turkey, who has charge of all American interests in the Near East, went on record whole-heartedly in support of the American relief organization.

"If I have been able to encourage the workers of the Near East Relief or give them assistance in any way," the Admiral said, "I feel that I am more than repaid in keeping with the success that has attended the efforts of the Near East Relief Committee in this part of the world in the past. I hope the future will bring you greater success. It will always give me pleasure to render any assistance possible to the Committee as a whole, to any of the workers, and to the great work of humanity that the committee represents."

When 139,000 Russian refugees from the Crimea arrived off Constantinople, Admiral Bristol immediately cabled the Near East Relief for help, and the Near East Relief bakeries fed these refugees and N. E. R. workers helped the American sailors to get the sick to hospitals.

Admiral Bristol is in intimate touch with all the work being conducted by the Near East Relief and speaks from personal knowledge of its accomplishments.

We Had Forgotten.

Of course it is some trouble to clean a spark plug, but do you remember what a task it was to go over an entire horse with a brush and curry comb?—Dallas News.

Lumber is Down

Yes, Lumber Is Down—Down to where a farmer can afford to build anything that can be made of lumber even in the face of a low market on farm products.

Lumber Was The Last Great Commodity To Go Up and the first to come down Today lumber prices are down to where it is hard to see how they can go any lower when costs are considered.

You Farmers Have Reason To Be Disappointed in the returns from last year's crops, but with lumber selling on the present basis we don't believe you can afford not to do whatever building or repairing may be necessary before Spring work commences.

Whether It's a Barn, or a Shed, or Just Some boards for fixing up around the place, the facts about lumber will appeal to any man or woman who believes in thrift and knows values.

Ford

THE UNIVERSAL CAR

Announcement

Mr. Edsel B. Ford, President of the Ford Motor Company, gives out the following statement:

"The price of the Fordson Tractor has been reduced from $790 to $625, effective immediately.

This price change has been made possible through lower costs of materials and the fact that we are now located in our new Tractor Plant with greatly increased economic manufacturing facilities in immediate connection with our foundry and machine shops and large blast furnaces where iron is poured directly from the ore, giving us maximum efficiency with the power to reduce cost of production, and down comes the price in line with our policy to market our products at the lowest possible figure without in any way affecting our high standard of quality.

"We are particularly pleased in being able to bring about this big reduction in price at this time because the farmer needs all the help we can give and this big cut in price will be the means of placing a valuable power unit within the reach of practically every one of them, not to mention industrial and commercial concerns which likewise have benefitted through its use and are already realizing to a much better extent, its value as a power and hauling unit. But particularly has the Fordson Tractor proved a most valuable factor in the saving of farm labor, at the same time increasing the per acre crop yield as well as making possible a utilization of previously uncultivated land, to say nothing of removing no end of drudgery.

"There is no question that the use of machine power on the farm is the greatest advancement made in the development of agriculture, not only in money saving and money making results as well as raising the standards of living on the farm to a much higher level, but because of its proved value in making every type of land more productive, and consequently our desire to place the Fordson within the reach of all.

"There is no change in the present Ford car and truck prices, which are already at the lowest possible figure and now with rock bottom reached on the tractor price a further reduction in price of either the Car Truck or Tractor is out of the question, in fact, the big price cuts have been made in anticipation of continuous maximum production and increases may be necessary before long if a large volume of new business is not obtained. Therefore, present prices of Ford products cannot be guaranteed against possible increase."

Ask for the book "The Fordson at Work" which will be supplied free of cost. Let us demonstrate the value of the Fordson on your farm, in your factory, lumber yard, coal yard, or in any general hauling or power work you have to do and let us have your order for a Fordson.
